Description

This plot of land for sale with an impressive extension of 41.600 m², has countless fruit trees, creating a natural and harmonious environment. Located about 5 km from stunning sandy coves and crystal clear water such as Cala Varques or Cala Romántica and about 6km from Rafa Nadal's school and Manacor. The proposed project stands out for its architecture and its perfect integration into the surrounding environment. The property will have a spacious living and dining room with open plan kitchen, offering a functional design, three double bedrooms, all with en-suite bathrooms. There will also be a garage. The construction will be of approximately 300m² and there are also plans for a 35m² swimming pool, terraces and unique spaces with views to the nature and the trees found on the estate, such as carob and almond trees, so characteristic of the Mallorcan landscape. This is your opportunity to acquire an exceptional plot of land with a basic project that celebrates natural beauty, modern comfort and proximity to the wonderful coves of the area. Do not hesitate to contact us for more information or to arrange a viewing.
