Description

This plot of land for sale with a magnificent project and an impressive extension of 42,000 m2, has countless fruit trees, creating a natural and harmonious environment. Located about 5 km from impressive sandy coves with crystal-clear water such as Cala Varques or Cala Romántica and about 6 km from the Rafa Nadal school and Manacor. The proposed project stands out for its architecture and its perfect integration into the surrounding environment. The property will have a spacious living and dining room with an open kitchen, offering a functional design, four double bedrooms, all with en-suite bathrooms. It will also have a separate building that can be used as a guest house or whatever use one wishes. The construction will be approximately 540 m2 and a swimming pool with a water surface of 35 m2 is also planned, as well as terraces and unique spaces with views of nature and the trees found on the property, such as carob and almond trees, so characteristic of the Mallorcan landscape. This is your chance to acquire an exceptional plot of land with a basic project that stands out for its natural beauty, modern comfort and proximity to the wonderful coves in the area. Please do not hesitate to contact us if you need more information or if you would like to arrange a visit.
