Description

House with authentic Mediterranean style located in the heart of Artà, a town full of charm and tradition. The property perfectly combines the typical Mallorcan character with spacious and bright areas that invite daily enjoyment. On the ground floor, a generous living room filled with natural light welcomes us, ideal for creating a warm atmosphere both for gatherings and relaxing moments. The kitchen, equipped with a cozy fireplace, becomes the heart of family life, offering a perfect space for cooking, sharing and enjoying the Mallorcan winter. From here, we access a charming interior patio, a private corner where you can enjoy the outdoors in complete tranquility. Next, we find the garage, spacious and practical, with direct access from the house. On the first floor, four large bedrooms are distributed, all well-lit and offering the possibility to adapt each space to the needs of the future owner: bedrooms, office, playroom or reading area. Finally, on the second floor we find the jewel of the property: a large terrace with wide and incredible views, ideal for sunbathing, creating a chill-out area, or simply contemplating the beauty of the surroundings and the sunsets over Artà. A home with great potential, perfect for those seeking space, natural light, and authentic Mediterranean charm.
