Description

Set on a clifftop overlooking the Mediterranean, this elegant home offers a truly unique coastal living experience.

It features two double bedrooms with en-suite bathrooms, a spacious living–dining area opening onto the terrace, private garage with direct access from the home, and a shared swimming pool.

The property, virtually new and in excellent condition, combines contemporary design, natural light and a privileged location where the sea takes centre stage.

Ideal as a permanent residence or as a high-value investment in one of Mallorca's most sought-after areas.

???? Important Before Comparing

Within this exclusive residential complex, each unit enjoys a different position.

This particular townhouse occupies one of the most privileged locations, offering unobstructed, front-line sea views from both master bedrooms and the living room — not only from the communal areas.

If sea views are your priority, this is the reference unit within the development.

Book a viewing today and see for yourself the quality of the views and surroundings.
