Description

This beautiful plot of 1.557 m2 in Port de Pollença is located in an area with easy access and stunning views to the mountains of the Serra de Tramuntana. It is possible to build a large single-family house with up to 778 m2 of constructed surface and 2 floors, and it is also compatible with tertiary-administrative use, infrastructural facilities or services or urban services, and use as open space. The access road is paved and illuminated, and the connection to the municipal service networks can be found right on the street.This property is located in Puerto Pollensa, with the Serra de Tramuntana, a World Heritage Site, in the background and the sea just a few minutes away, making it one of the most sought-after locations in the North of Mallorca. Puerto Pollensa has numerous shopping facilities, schools, a health centre, doctors, a wide range of services and a renowned marina. With an abundance of cultural and sporting events and several golf courses nearby, Port de Pollença is an ideal place to enjoy life close to the mountains and the Mediterranean.This urban property in Port de Pollença offers you the opportunity to design your new home according to your wishes - do you prefer a rustic-classic design or do you want a modern, minimalist style? Add a garden or swimming pool. Plan a sun terrace, a roof terrace so you can enjoy the sea view directly from your new home, or a barbecue area and outdoor kitchen to enjoy with your family. Your home will be tailor-made for you, and this plot in Puerto Pollensa is the base of your dreams.
