Description

Situated in a quiet but central location is this house in Pollensa with 3 bedrooms, 1 bathroom, living room, kitchen with dining room, patio, laundry room and rooftop terrace with wonderful views over Pollensa. The house is well maintained, has a total of three floors and a classic stone archway in the entrance area. It has wooden windows, wooden shutters, ceramic tiles and fitted wardrobe and is ready to move into, although it would benefit from an update. Pollensa, synonymous with the mountains of the Serra de Tramuntana and the crystal-clear, shimmering turquoise sea, has been a cultural and economic epicentre in the North of the island for centuries. The warmth of the locals who greet you in the street, the convenience of being able to do everything in the village on foot, and over 300 days of sunshine a year are just some of the many reasons why life in Pollensa is simply wonderful. Did we mention that from shopping to sports facilities to restaurants, there is simply everything in Pollensa? Buying a house always means putting down roots. The soil - the environment - simply has to be right. This house in Pollensa offers you the ideal basis for long-lasting, happy growth and your own self-fulfilment. Decorate it to your taste and turn it into the home that makes you relax as soon as you open the door. Enjoy your evenings on your new rooftop chill-out terrace, and look forward to Sunday paellas with the whole family. Can we show you this cosy gem?
