Description

With the possibility of building a second house: This charming house in Campanet, which was built in 1850 and has just been completely renovated, offers the option of dividing the plot in two and building another house at the rear of the property. The 233 m2 house, divided into 2 floors and situated on a 635 m2 plot with magnificent views of the Serra de Tramuntana, has 3 bedrooms - 1 of them on the ground floor -, 2 complete bathrooms with shower, 2 terraces, spacious living room with large windows and exit to the outdoor dining area on the terrace and garden, barbecue, cistern and pre-installation for outdoor laundry. The house is equipped with pre-installation for air conditioning, shutters and double-glazed windows made of wood, porcelain floors and fully equipped kitchen.The hilly location of Campanet has a decisive advantage: You are at the same time close to the mountains and yet very well connected thanks to the motorway. The close proximity to nature, the down-to-earth nature of Campanet's inhabitants, the weekly market day, the cafés of the plaza, the traditional festivities that are passionately celebrated - Campanet is the epitome of how relaxed and beautiful you can live in the heart of the island.
If outstanding quality is important to you, then this historic, renovated house in Campanet is just the right place for you. Come and visit with us this house that will captivate you as soon as you enter. The cosy, bright and spacious rooms will inspire you and relax you at the same time. And as soon as you enter the green oasis of the garden, you will already see yourself sitting surrounded by friends and family, a good glass of wine in everyone's hand, hearty laughter, while the sunset conjures up a fascinating play of colours in the sky. Are you still searching, or are you already packing your bags for the move?
