Description

In an unbeatable location in 1st sea line in Cala Murta, Porto Cristo, lies this 900 m2 building plot with incredible sea views, fully developed project and valid building licence for the construction of a unique villa. The project envisages a 718 m2 luxury villa with 4 bedrooms - with the possibility of creating more bedrooms -, 6 bathrooms, 81 m2 infinity pool on the ground floor, roof top terrace with bar and 16 m2 pool, spa with sauna, gym, cinema and games room on the ground floor, guest flat, garage, and an open and bright room concept. The planned features include double-glazed aluminium windows, underfloor heating, central air conditioning, sea views from almost all rooms and home automation.The spectacular location of this plot with building license in Porto Cristo allows excellent access to shopping, doctors, sports facilities, services, schools and leisure options, such as the sports harbour, the golf course 20 min away or the sports airport located only 30 min away. The East coast of Mallorca is dotted with gorgeous, crystal-clear coves, imposing cliffs and sea caves that provide the perfect backdrop for a boat trip.
This plot with a building project for a luxury villa in Porto Cristo is so unique that it simply catches the eye. It creates a very special atmosphere, as the project is a true work of art in the middle of a green paradise overlooking the blue sea. Imagine inviting your friends to your new home, this villa, for the first time, what will they say? But more importantly, what will you say when you wake up here for the first time and look out the window to see the turquoise sea right before your eyes. This building plot with a building licence is your chance to build the stunning dream home you've always wanted.
