Description

This 79 m2 penthouse in Cala D'Or is just a stone's throw away from the nearby turquoise coves and comprises of 2 bedrooms, 1 bathroom with shower, a spacious living room with dining area and kitchen, plus a spectacular 48 m2 private terrace. The penthouse was recently renovated and is located on the 1st floor without lift of a community, that may possibly have a community pool in the future. The luminous apartment is equipped with double-glazed aluminum windows, ceramic floors, interior alarm and a pre-installation for air conditioning - machines still need to be added - as well as the preparation for built-in wardrobes. It's only a 3 min walk to the beach. Cala D'Or, just 50 minutes from Palma and its airport, is well known for its beautiful marina, the proximity to the Vall D'Or golf course, only 12 minutes away and the 7 turquoise coves that make up the coastal resort and border its charming East Mallorca coastline. But Cala D'Or is not just well-equipped for holiday stays, it's also a great place for everyday living. Supermarkets, stores, restaurants, schools, a health center - and everything you can't find here, you can find in Santanyi and Felanitx, both just 15 minutes away, or Manacor and Campos, in less than 30 minutes by car. Living near the water is a luxury in Mallorca and this spacious penthouse is surrounded by water on two sides thanks to its location among the beautiful small coves of Cala D'Or. The rich lifestyle here can be enjoyed alongside your family and friends within your own four walls and on your large terrace, with a gentle breeze and that unique, relaxing sea scent. Here you can live a quiet, comfortable life, close to the most beautiful beaches on the East coast, which you can reach on foot with ease, allowing you to make the most of your summer days here. Let us know when it's convenient for you, and you'll forever remember the moment you first step into the penthouse of your dreams.
