Description

On a 482 m2 plot in Puerto Alcudia you find this renovated villa with 104 m2 living space, divided into living room with dining area, kitchen, 3 bedrooms and 2 bathrooms. Additionally, it has a 21 m2 garage. The outdoor area consists of several terrace areas and there is enough space in the garden to add a pool. The villa has a cosy, modern charm, double-glazed windows, aluminium shutters, clay tiles, a large wood-burning stove in the living room and air-conditioning in the master bedroom and living room. A high quality water decalcifier, laundry area and large pantry complete this ground floor villa with garden.Located in a residential area, this lovely villa in Puerto Alcudia is close to shopping, bars, restaurants, doctors and sports facilities. It not even 1 km to the beach, which you can also easily reach by bike. The advantage of Puerto Alcudia is not only the proximity to the Serra de Tramuntana and the Albufera Nature Reserve, but also the excellent connection to Palma thanks to the nearby motorway. A large selection of beaches in the North of the island is only a few minutes away by car.The dream of owning a house by the sea can come true with this villa in Puerto Alcudia. Modernised and with the possibility of adding a pool, this beautiful house is an ideal investment for the present and the future. Here can be your home base from which you set off for daily sunbathing on the beach, armed with your parasol, or invite the family for your famous paella you used to cook on Sundays. What would your life be like if you'd buy this villa?
