Description

Rustic finca of 21.000 m2 in Moscari, Selva, with an approved license for the renovation and extension of a single-family home of 220 m2 with a 40 m2 pool and fantastic unobstructed views all the way to the sea on the North coast, Campanet and the Puig de Santa Magdalena. The house is planned to have a living room with dining area and kitchen plus 1 bedroom with 1 bathroom on the ground floor, and 3 more bedrooms plus an office, 2 full bathrooms and a laundry room on the first floor. It is a plot full of charm with a slight slope, surrounded by the impressive panorama of the Serra de Tramuntana. The property has access via a paved road and currently features a 32 m2 garage and a 27 m2 agricultural storage building, in addition to the building to be renovated and expanded. The village of Moscari was first documented in writing in 1230. Today, it is known for its peaceful pace of life, its beautiful medieval-style streets, and its excellent access to modern conveniences. In just a few minutes you can reach the motorway, a large number of shops in Inca, sports facilities and schools. To the capital Palma it takes less than 30 minutes by car, and to the nearest beach in Puerto Alcudia it takes only 23 minutes. Living in the center of the island, in the beautiful Raiguer area, means being close to everything. In Moscari, you quickly notice that the clocks run a little slower. You walk a bit more slowly, breathe deeply, and enjoy the impressive panorama that appears at every step in this small village near the Tramuntana. It is a place of tranquility, introspection, and above all, the friendliness and warmth from its inhabitants. This rustic finca with a building license in Moscari is your opportunity to finally build your own little paradise.
